TOURIST ATTRACTIONS

Ancient City of Perge:

Distance 30 km

Perge, located east of the city of Antalya, was an important Pamphylian city. On the way to the ancient stadium, artifacts from various parts of the ancient city are exhibited.

The ancient city of Aspendos:

Distance 30 km

Located near the Serik district of Antalya province, Aspendos has one of the best preserved free-standing Roman theaters anywhere in the world. Today it is still used for music concerts and opera festivals.

Side Ancient City:

Distance 45 km

Side is one of the most well-known ancient cities in Turkey. Side was a harbor in ancient times and its name means pomegranate. The theater, built on columned arches, is the largest in the region.

Termessos Ancient City:

Distance 65 km

Located east of the city of Antalya, Termessos is one of Turkey's best preserved ancient cities and most outstanding archaeological sites. The untouched ancient city is built on a steep hillside covered with pine forests. It is believed to be one of the few places Alexander the Great could not conquer!

Phaselis Ancient City:

Distance 110 km

Phaselis Ancient City is located near Kemer in Antalya province. Founded by the Rhodians in the 7th century BC, Phaselis is an ancient port city with three natural harbors. It has a rich history and its ruins are impressive.

Ancient City of Olympos:

Distance 123 km

The ancient city of Olympos is located on the south side of Mount Tahtalı, on the seashore close to Çıralı. A member of the Lycian Union, Olympos was a maritime trade city. The area is now a National Park.

Myra Ancient City:

Distance 180 km

The ancient city of Myra in Demre in the eastern Antalya province was one of the most powerful cities of the Lycian League. It is famous for its perfectly preserved Roman theater and tombs carved into the rocks overlooking the theater. Demre is also home to the Church of St. Nicholas; the 4th bishop is better known today as Santa Claus.

Simena Ancient City:

Distance 205 km

Located near Demre and Kas, Simena is only accessible by sea and has a very impressive view of Kekova Island, an underwater city. The castle is still standing today. There are also underwater rock tombs in the city.

Xanthos Ancient City:

Distance 250 km

Located in the Kas district of Antalya, Xanthos was the capital of Lycia and dates back to 3000 BC. It was the administrative center of the Lycians in ancient times. Xanthos was inscribed on the UNESCO World Heritage List along with Letoon in 1988.

Patara Ancient City:

Distance 261 km

The ancient city of Patara, one of the oldest settlements of the Lycian League, is one of the most important symbols of Anatolian history. In the archaeological site, you can see dozens of unique historical ruins of the ancient city, including the theater and the entrance gate.

QUALITY MANAGEMENT SYSTEMS

QUALITY MANAGEMENT SYSTEM

Sueno Hotels proves its commitment to maintaining high-quality standards and fulfilling its commitments on time with prestigious quality certificates issued by the Turkish Standards Institute. These certificates reflect our excellence in quality, environmental management, guest satisfaction, occupational health and safety, energy management and food safety, and our sustainability goals.

SUSTAINABILITY AND ENVIRONMENT

As Sueno Hotels, we have been continuously improving our environmentally friendly approach since day one. Due to our commitment to beach cleanliness, sea water quality, and environmental management in our facilities, we have proudly held the Blue Flag Certificate since 2009. Additionally, our efforts to protect the environment and contribute to sustainable tourism have been recognized with the GREEN KEY award, an internationally recognized eco-label. We have also successfully obtained the "Sustainable Tourism Certificate," awarded in accordance with the international

standards set by the Global Sustainable Tourism Council (GSTC) in cooperation with the Ministry of Culture and Tourism and the Turkish Tourism Promotion and Development Agency (TGA). These certificates concretely demonstrate our commitment to the environment and our sustainability goals.

HEALTHY VACATION SYSTEM

Food Safety: Sueno Hotels adheres to the principle of producing hygienic and reliable food throughout all processes, from raw materials to presentation. Receiving areas, warehouses, food production areas, service areas, restaurants, bars and dishwashers have been audited and certified by ISIS Turkey (International Inspection System) in line with this policy.

Water Safety: In order to minimize the risks of Legionella and other waterborne diseases, water installations, boiler rooms, water tanks, rooms, swimming pools, Turkish bath / hamam-SPA, cooling towers, Jacuzzi and ornamental pools have been inspected and certified by ISIS Turkey (International Inspection System).

Guest Rooms: In order to increase the comfort and service quality of our guests, guest rooms, public areas, floor offices, floor cars, staff areas, storerooms and laundries have been inspected and certified by ISIS Turkey (International Inspection System).

Turkish bath / Hamam-SPA: General and private baths, saunas, massage rooms, care and therapy rooms, changing rooms, showers, staff areas, storerooms and catering areas have been inspected and certified by ISIS Turkey (International Inspection System) to ensure comfort and service quality in the Turkish bath and spa areas—one of the spaces our guests interact with the most.
